COLOURED POPSICLE STICKS MEAN YOU DON'T HAVE TO PAINT THEM!

## STEP 1. CREATE THE BASE

Gather three popsicle sticks, trimming the ends of one. Glue all three together with a glue gun to form a triangle.

## STEP 2. ATTACH LOOP OF YARN

Create a loop with a 10cm strip of yarn and attach to the top of the triangle with a glue gun.

## STEP 3. ADD A STAR

Cut out a star from yellow or gold paper and glue to the top of the triangle.

## STEP 4. DECORATE

Decorate with glitter glue and pom poms to add festive spirit!
