DIY BUNTING

HERE'S WHAT YOU NEED TO GET STARTED...

BOSTIK GLU STIK

COLOURED PAPER

SCISSORS

RIBBON
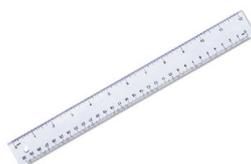

RULER

PENCIL

PROJECT SHEET

STEP 1.
PREP TEMPLATE

Use scissors or a paper cutter to cut out the template.

STEP 2.
TRACE IT
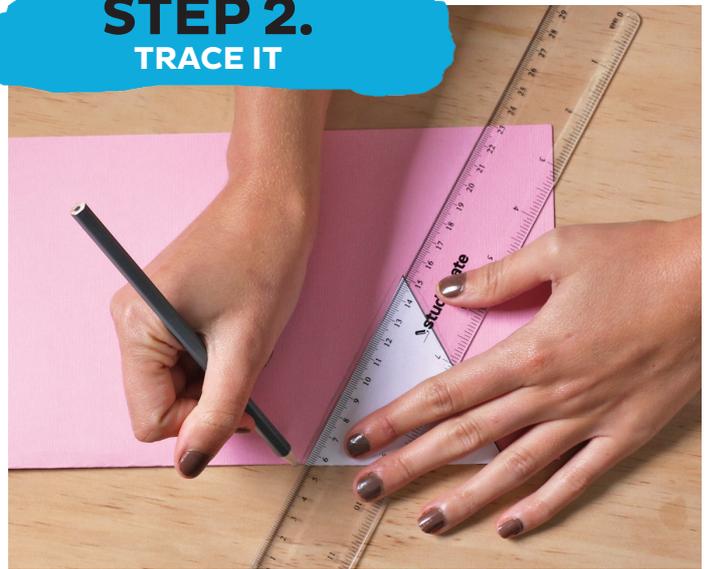

Fold a piece of paper in half. Place your template against the folded edge of the paper and trace it. Repeat until you have traced a desired amount of flags.

STEP 3.
CUT IT

Cut out the traced triangles but make sure not to cut the folded edge.

STEP 4.
HANG IT

Slip the flags over the string and leave some space between each flag. Glue both sides together at the flag tips.
